HUI ALOHA AINA

Meet in Arion Hall to Choose a President.

J. W. Kaulia of Honolulu Comes off Victorious—Another Meeting to be Held Today.

What with the delegates to the members of, and people interested in the Ahahu Aloha Aina, Arion hall was completely filled Saturday morning when that organization met for the purpose of electing a presiding officer to fill the place made vacant by the death of J. K. Nawahi. There was hardly standing room even on the verandas, and in the yard and out in the street were many others who wanted to catch a glimpse of what was going on.

At 10 a. m., Bill White of Lahaina, acting as chairman, called the meeting to order.

After a selection by the Hawaiian National band, Rev. Kalana was called on for the opening prayer, he taking the place of Rev. E. S. Yimoteo, absent. After another selection by the band, Jas. K. Kaulia spoke on the subject of Independence Day, outlining briefly its significance to the Hawaiian people.

The singing of Hawaii Pono! by all present was a signal for the hall to be vacated.

Then came the work of election of a president by the delegates from the different islands.

J. K. Kaulia came off victorious with 34 votes; R. W. Wilcox came next with 12 votes, and J. W. Bipikane next with 3.

There will be another meeting at 10 a. m. today for the purpose of electing a vice president. The candidates for this office are Bill White of Maui and L. W. Kanealii and J. K. Kaunamano of Oahu. A secretary will also be chosen. Enoch Johnson is the only candidate for this office.

Y. H. I. CELEBRATION.

The Boys Entertain Their Many Friends Right Royally.

The Young Hawaiians' Institute celebrated Independence Day in grand style in their rooms, Foster Hall, Saturday afternoon. A very large number of people were present, among whom were Mrs. E. M. Nakuina, Messrs. W. R. Castle, L. A. Thurston, J. Q. Wood and Prof. Berger. Both rooms were filled.

The program began at 2 p. m. with a Y. H. I. chorus. Following this were the remarks of George Desha, vice president. He stated that the object of the meeting was the celebration of Independence Day. The Y. H. I. Glee Club sang "Violets" in fine style, and then came the speech of J. M. Poepe in Hawaiian.

The speaker took Independence Day as his topic and explained how in 1843 the three commissioners from the Hawaiian Islands went to the United States, to England, to France and to Belgium in the interests of independence. His points were taken from Professor Alexander's history, and his interpretation into the Hawaiian language and his knowledge of things Hawaiian brought out a great many interesting and instructive facts.

After this there came a medley of a number of old Hawaiian songs by the Y. H. I. Glee Club.

Many of the visitors arriving late, the boys kindly sang over again all the songs they had given during the afternoon.

Refreshments were served and the pleasant occasion came to an end, not, however, until the guests had taken occasion to congratulate the boys on the success of the afternoon's program.

Oxnard on Beet Sugar.

Mr. Henry T. Oxnard, president of the Chino Valley Beet Sugar Company, writes as follows: "The present protection to sugar is insufficient to develop a national sugar industry, and I believe that the six beet factories operating at present in the United States will not continue to do so. I don't believe that, unless we succeed in getting further protection, we can hope to see any factories erected."

"With protection such as we enjoyed before the McKinley bill, or during the period of the McKinley bill, I would have no hesitation at all in saying that it was only a question of a few years when the United States would be producing its own sugar, but, unless our statesmen at Washington are willing to give the industry the necessary protection, I see very little hope for the future."

Old Clothes Wanted.

There is a call from the leper settlement on Molokai for second-hand or cast off clothing for men, women or children. Rags, also, will be very acceptable, and are very much needed

in the settlement. Outgrown garments and shoes of all sizes will come in handy. Persons having clothing, shoes or rags that they would like to contribute for the lepers can send them to W. W. Hall, and they will be forwarded to responsible persons at Kalaupapa.

UNION SERVICE.

Both Congregations Join in Worship at St. Andrew's.

There was a union service of the two congregations of St. Andrew's Cathedral last night, it being the eve of St. Andrew's. The sermon was preached by Rt. Rev. Bishop Willis, assisted by Revs. Alex. Mackintosh, Kitcat and Byrde. The subject related to the needs and uses of a diocesan fund.

There was an excellent musical program in which the Cathedral choir, assisted by the girls from St. Andrew's Priory, took part. At the close of the services there was a procession of the congregation, around the body of the church, singing a hymn.

The candelabras on both sides of the altar were lighted, and with the handsome floral decorations that part of the church presented a very brilliant sight. The collection for the fund amounted to nearly \$250.

HOW TO CURE BILIOUS COLIC.

I suffered for weeks with colic and pains in my stomach caused by biliousness and had to take medicine all the while until I used Chamberlain's Colic, Cholera and Diarrhoea Remedy which cured me. I have since recommended it to a good many people. Mrs. F. Butler, Fairhaven, Conn. Persons who are subject to bilious colic can ward off the attack by taking this remedy as soon as the first symptoms appear.
